————— V300 CROSSOVER 2024

BENEFITS

- It is the perfect boat for any adventure on the water! Whether you're exploring the coast, cruising around a lake, or just spending a day out on the water, the Ventura V 300 has everything you need for an unforgettable experience.

At 30 feet in length, including the swim platform, the Ventura V300 deck boat offers plenty of space for you and your guests. With its versatile design, this boat is perfect for any activity. The sterndrive boat design makes it easy to navigate even the trickiest of spots, while the bowrider boat design offers even more space for you and your guests to enjoy.

The Ventura V 300 also features a spacious mid-cabin and a small cabin, making it perfect for overnight trips or extended stays on the water. The cabin is outfitted with all the essentials, including a bathroom and kitchenette, so you can enjoy all the comforts of home while you're out on the water.

Whether you're lounging on the deck or fishing in a hidden cove, the Ventura V300 bowrider offers unbeatable comfort and convenience. With its coastal boat design, you can take on even the roughest waters with ease. And with its cruiser boat design, you can enjoy all the amenities of home while you're out on the water.

So why wait? Whether you're an experienced boater or just getting started, the Ventura V 300 crossover is the perfect choice for your next adventure on the water. With its unbeatable features and versatile design, it's the ultimate boat for any boating enthusiast.
